My dear Hilde,

How immensely good of you  
to send me the beautiful useful  
affaires jardinières for a present.  
It was a wonderful surprise  
and I do thank you so  
infinitely much.

I realise the message may  
have got bogged, ~~but~~ <sup>and</sup> it may  
well have been obtained by you  
on behalf of Lili. I will  
ask her when I see her so

PLEASE DON'T TROUBLE TO WRITE  
& EXPLAIN! There is quite  
enough writing to do just now  
I am sure!

I am off to Vienna  
Early Tuesday, and look to  
see Lillkin in 2 or 3 weeks.

Yrs most gratefully  
and affectionately

Larry
