Dearling Heidi,

How can I thank you
and Victor enough for that
fabulous gardening Book - How
did you know? its my
favourite study! Much better
than anything in my time of work.

How wonderfully kind &
generous - The Book coming
under that beautifully stamped
and prepared envelope, how
thoughtful can you be!

You are really immaculous
All our most deeply loving
thoughts & thanks

Joanne bringing this + the
Book up to London

Oh delicious, surprised
Love from

L Amy

P.S. Seems silly to post it
just to use the stamps!
