New York 24, N.Y.

Dear Dr. Federn:

We are in receipt of your letter from  
March 18.

We are fully cognizant of the fact that  
approximately a year ago you asked us to  
accept your resignation because of an  
overcrowded schedule of your professional  
activities.

As soon as new letterheads are printed  
we shall certainly omit your name from  
the list of officers.

May I express to you in behalf of the  
Austro American Council and its officers  
our sincere thanks for your cooperation.

Sincerely yours,

James Herzig  
Secretary
